YOUR MOMENT, YOUR STYLE.

By Superdry

Set against the elegance of a sun-drenched estate, this eyewear collection explores impeccably layered looks and sharp silhouettes. Contemporary in design yet grounded in classic styling, each style carries a refined ease that resonates everywhere: a considered statement for Spring/Summer '26.

NEW – 13 models | 40 skus
CARRYOVERS - 35 models | 100 skus

Front cover : SDS-5049-106 & SDS-5056-108
Opposite : SDS-5050-113 & 150

BRAND HISTORY

In 2003, founder & CEO Julian Dunkerton formed the brand with his then business partner & designer, James Holder, after an inspirational trip to Tokyo.

Superdry first became recognised for their iconic bright t-shirts and hoodies – keeping silhouettes simple but applying their signature colour palette & branding.

In 2010, the brand successfully floated on the London Stock Exchange.
